

Selah's First Adults Nature Day Camp

You asked for it we delivered. For many years adults have been asking us for their time to do our fun and informative kid activities. The time is now, come join us on March 22, 2017 for a fun day of being a kid again. Activities will include aquatic stream scoring and riparian health assessment, terrestrial invertebrate collection, learn to use a dichotomous key (with live snakes), and nature hiking with a journal component. This will be our first of hopefully many of different day camps. Emphasis will be on having fun while learning fun hands on activities.

Date is 22-03-2017, 0900-1630, as it will read in your field journal or March 22, 2017 from 9am-4:30pm.

15 Slots Available

Cost is \$50 includes snacks, water, lunch and all the fun you can have.
